Dear Mrs. McKinley:

The Federal Labor Relations Authority (FLRA) is an independent administrative federal agency created by Title VII of the Civil Service Reform Act of 1978 (also known as the Federal Service Labor-Management Relations Statute) (the Statute). Pub. L. 95-454, 5 U.S.C. §7101 *et seq.* The Statute allows certain non-postal federal employees to organize, bargain collectively, and participate through labor organizations of their choice in decisions affecting their working lives.

The Solicitor's Office of the FLRA received your request under the Freedom of Information Act (FOIA) on April 24, 2015. In your request, you are seeking "copies of EEO Case Number #2014-005-R04, as well as any information provided by EPA by Judge Lana Lawson as well as Lana Lawson to EPA." You also requested "an explanation as to why EPA has not responded to Judge Lawson's request that the parties participate in ADR/Mediation, request was made in February 2015."

An examination of the FLRA's records has not disclosed any information that is responsive because you have not requested an FLRA record. Pursuant to § 2411.8 of the FLRA's regulations (5 C.F.R. § 2411.8 (2014)), your underlying request for information has been transferred to the U.S. Environmental Protection Agency.

Because of the nature of your request, you may also want to contact the following individual for the information that you seek:
